and which opportunities we can offer you.

Lay the foundation for your career.
Gain a foothold in the professional world.

“

I was pleasantly surprised by the speed of the application process. And I am especially impressed by the flat hierarchies – the doors are always open, on the management level as well. Every idea is heard.

(Franziska, Administration)

”

Find the right fit!
There are many opportunities for you

- In-depth training for virtual test driving and various areas of application
- Familiarization with the latest developments in the automotive industry
- Insights into the activities of our global subsidiaries
